

POSITION – Allied Health Clinician

Department – Consumer Directed Care – Allied Health

Role Purpose:

- The Allied Health Clinician will provide person-centred Allied Health services to consumers, ensuring positive outcomes and experience for consumers and their families / carers.
- MSL Allied Health services include NDIS, Aged Care, Employment Support and private services. In this role you may work either within a specific MSL Service or across multiple services. This will be discussed and agreed with you as part of your role ongoing.

Multiple Sclerosis Limited, commonly known as MS, is the go-to provider of information, advice and support for people affected by multiple sclerosis and other neurological conditions.

We're a combined entity of the ACT, NSW, Victoria and Tasmania with over 60 years' insight into how to live well with progressive neurological conditions.

We offer vital support and services for people living with multiple sclerosis while the search for a cure continues. We are here so no one has to face MS alone.

Our Aspiration: *The home of comprehensive support for neurological conditions*

Our Purpose: *Together on the journey to break down barriers, achieve goals and live well*

Our Values:

Empowerment

- We show respect for the rights of others and listen to the voices of our clients in making decisions. We encourage and enable others to attain goals and achieve, and we aim for best outcomes for our stakeholders.

Community

- We respect difference in all its forms and welcome diverse members of our community. We work collaboratively, creating stronger solutions together. We build trust by engaging with stakeholders to share understanding, and we participate in networks, partnerships, and community events to advance MSL's objectives.

Expertise

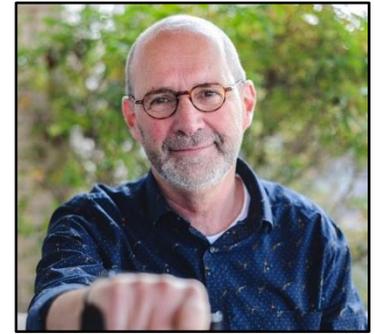

- We commit to ongoing learning to maintain contemporary knowledge in our respective fields of practice. We share our knowledge with stakeholders to empower and enable them. We develop and model effective leadership in the sector and in our organisation.

Creativity

- We establish ways to capture, communicate and implement innovative ideas and practices. We see emerging opportunities and problems and take proactive steps to adapt accordingly.

Spirited

- We encourage initiative and look for ways to continuously improve. We show resilience in the face of set-backs, overcome obstacles, and learn from experience.
